

# **South African Council for the Landscape Architectural Profession**

**Presentation to Professionals**

**October 2014**

# OUTLINE

- Welcome
- OHS presentation
- Break
- SACLAP Feedback

# Background to OHS Guideline

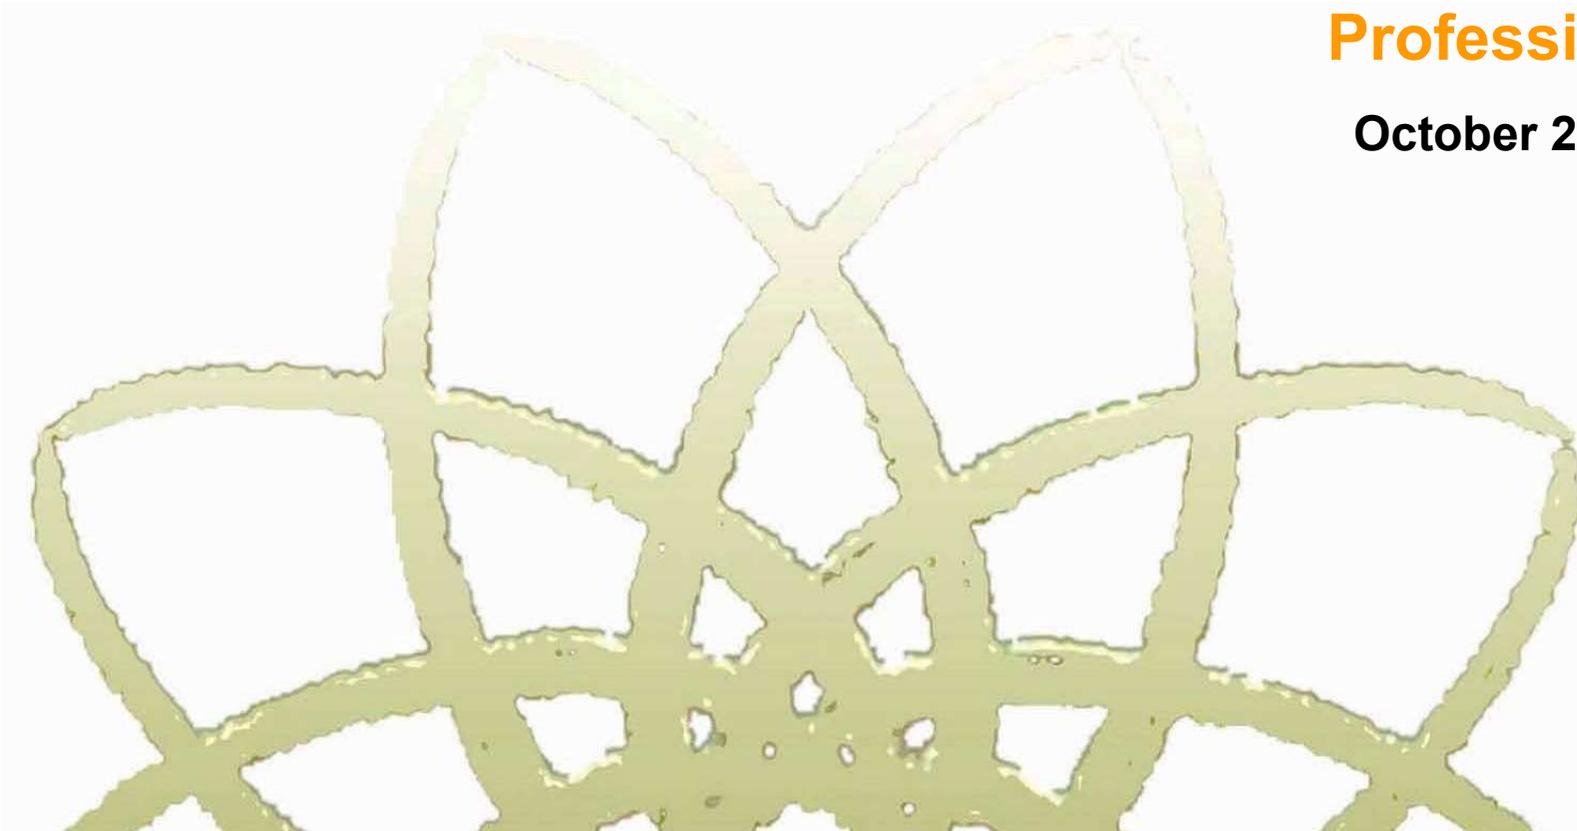

- Mandate of the Act
- OHS is an important element of Professional Practise and has undergone numerous legislative changes
- Previous Council decided that this project was necessary and would benefit the profession
- Terms of reference were drafted and 3 services providers requested to submit quotations
- Concurrently SACLAP signed the CBE Accord relating to OHS
- Aurecon was awarded the project.

# FEEDBACK

**South African Council for the Landscape Architectural  
Profession**

**October 2014**

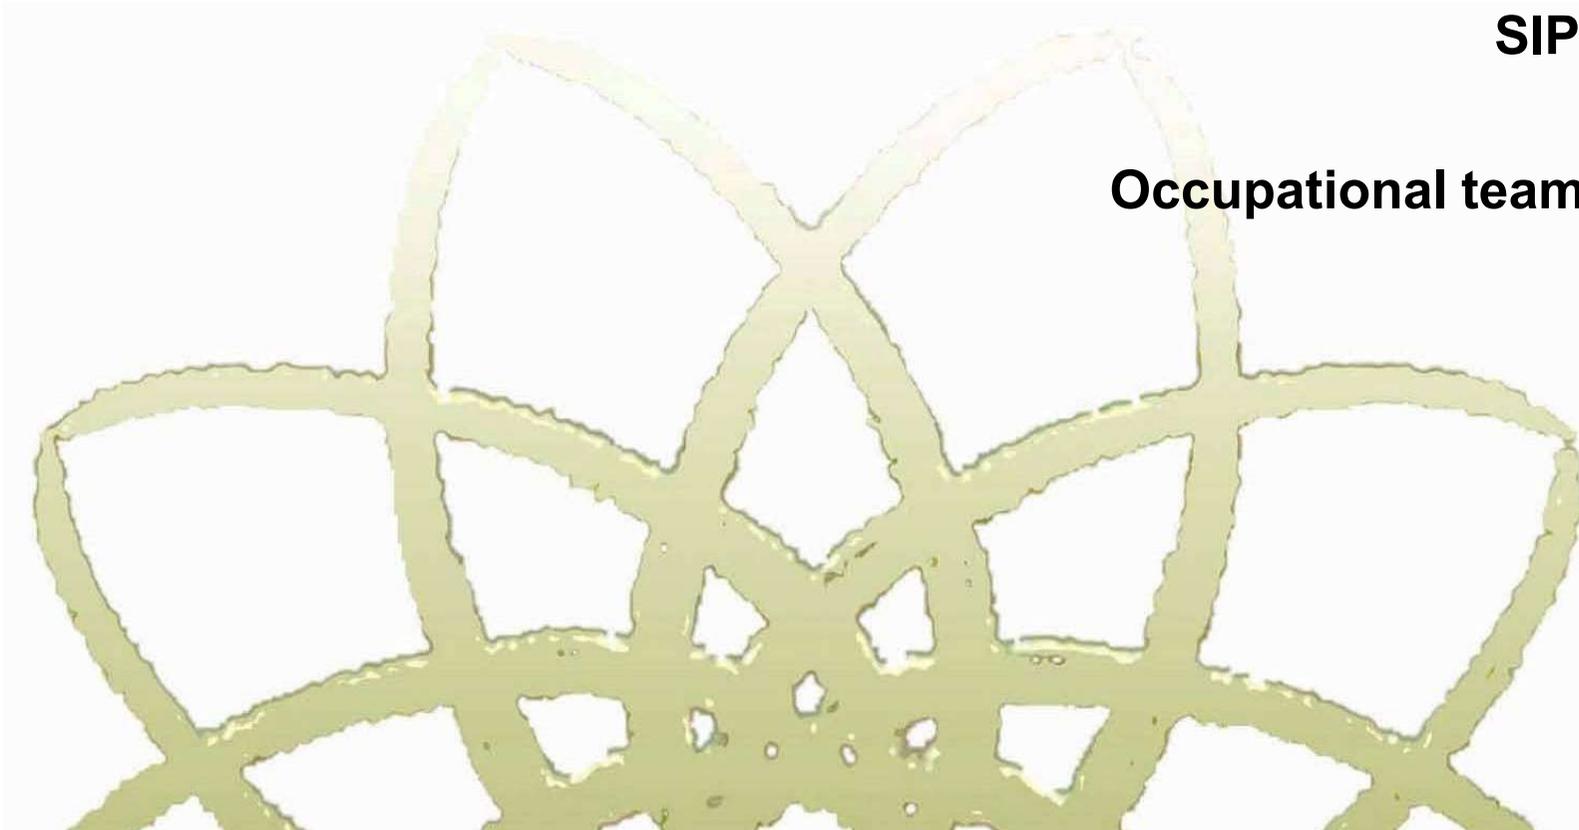

# Outline

## Landscape Architectural Professionals in the Built Environment

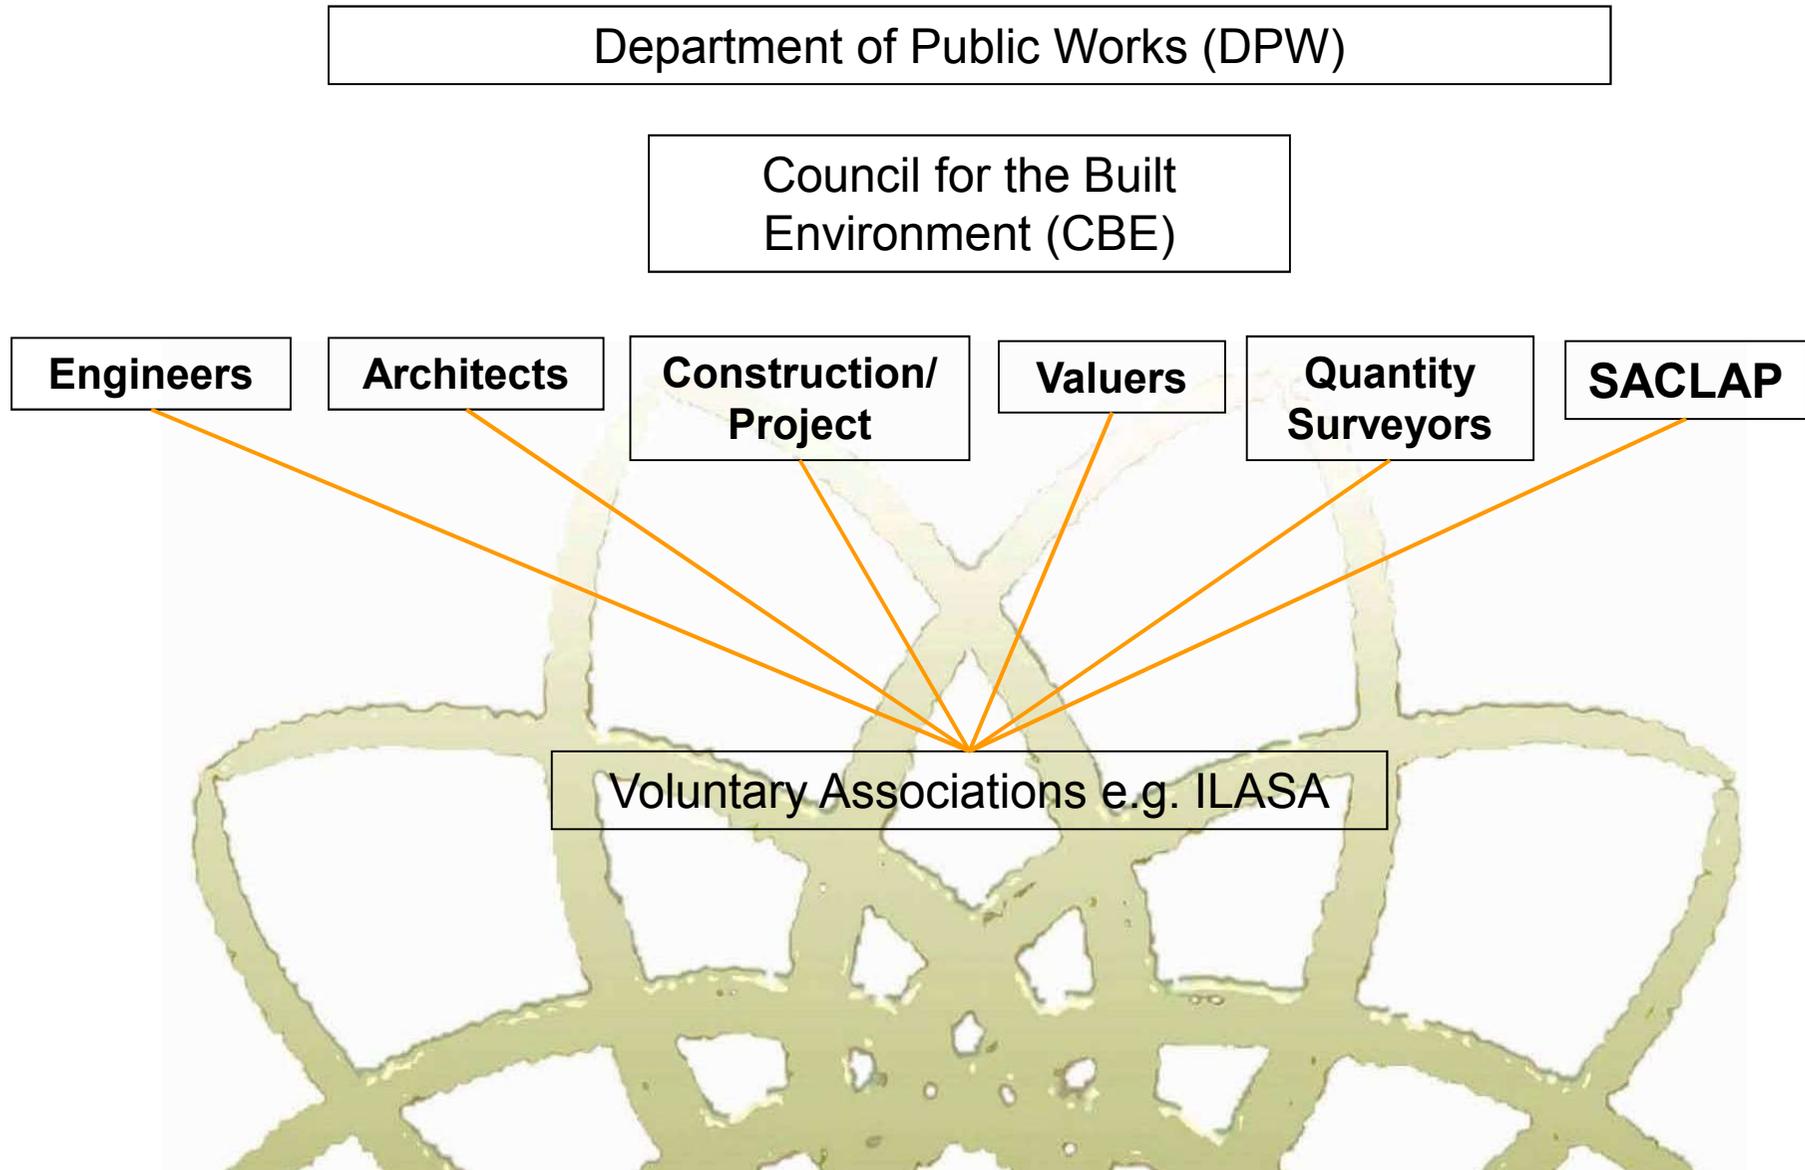

### Progress on the Mandates

**SIPS**

**Occupational teams**

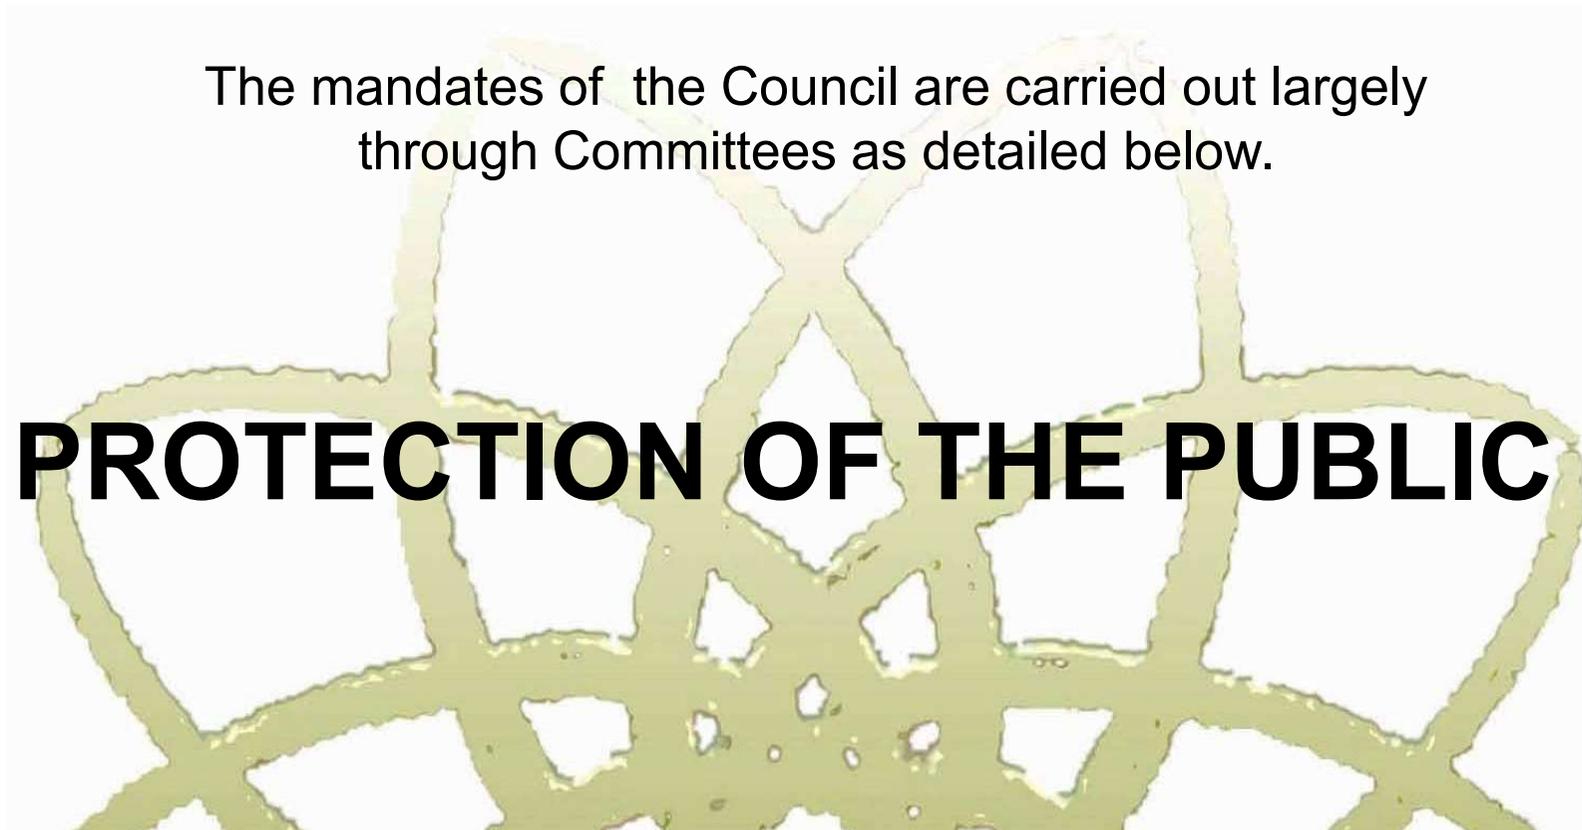

# Fit in the Built Environment

# Mandate of Council

SACLAP operates within the realms of the mandates set out in the **Landscape Architectural Profession Act, Act 45 of 2000**

The mandates of the Council are carried out largely through Committees as detailed below.

**PROTECTION OF THE PUBLIC**

# Governance...

- **Strategic Plan**

## **Vision**

“A vibrant, dignified and resilient living environment for all”

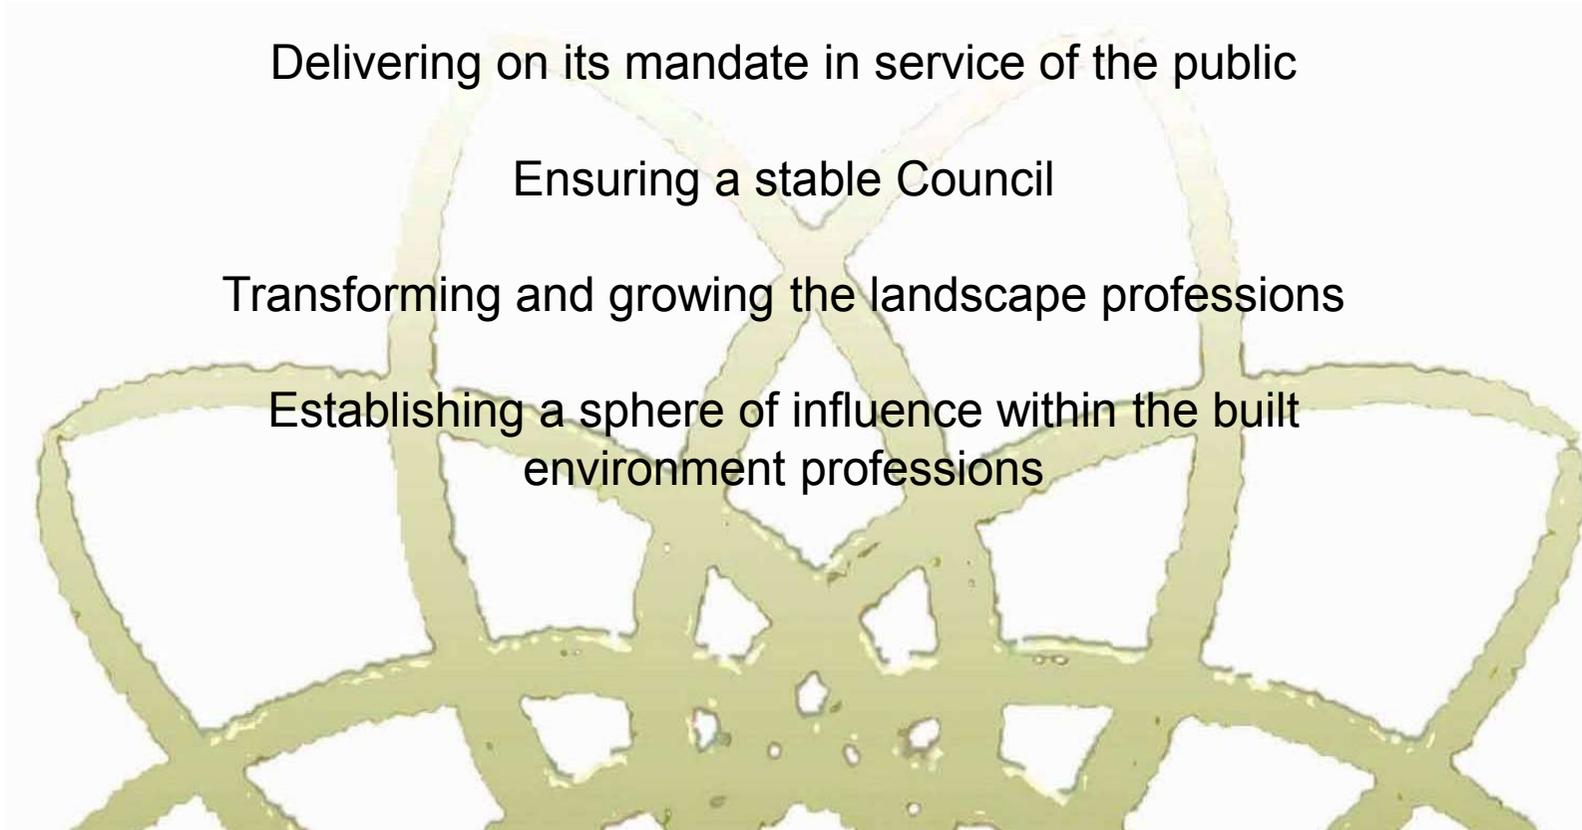

## **Mission**

Delivering on its mandate in service of the public

Ensuring a stable Council

Transforming and growing the landscape professions

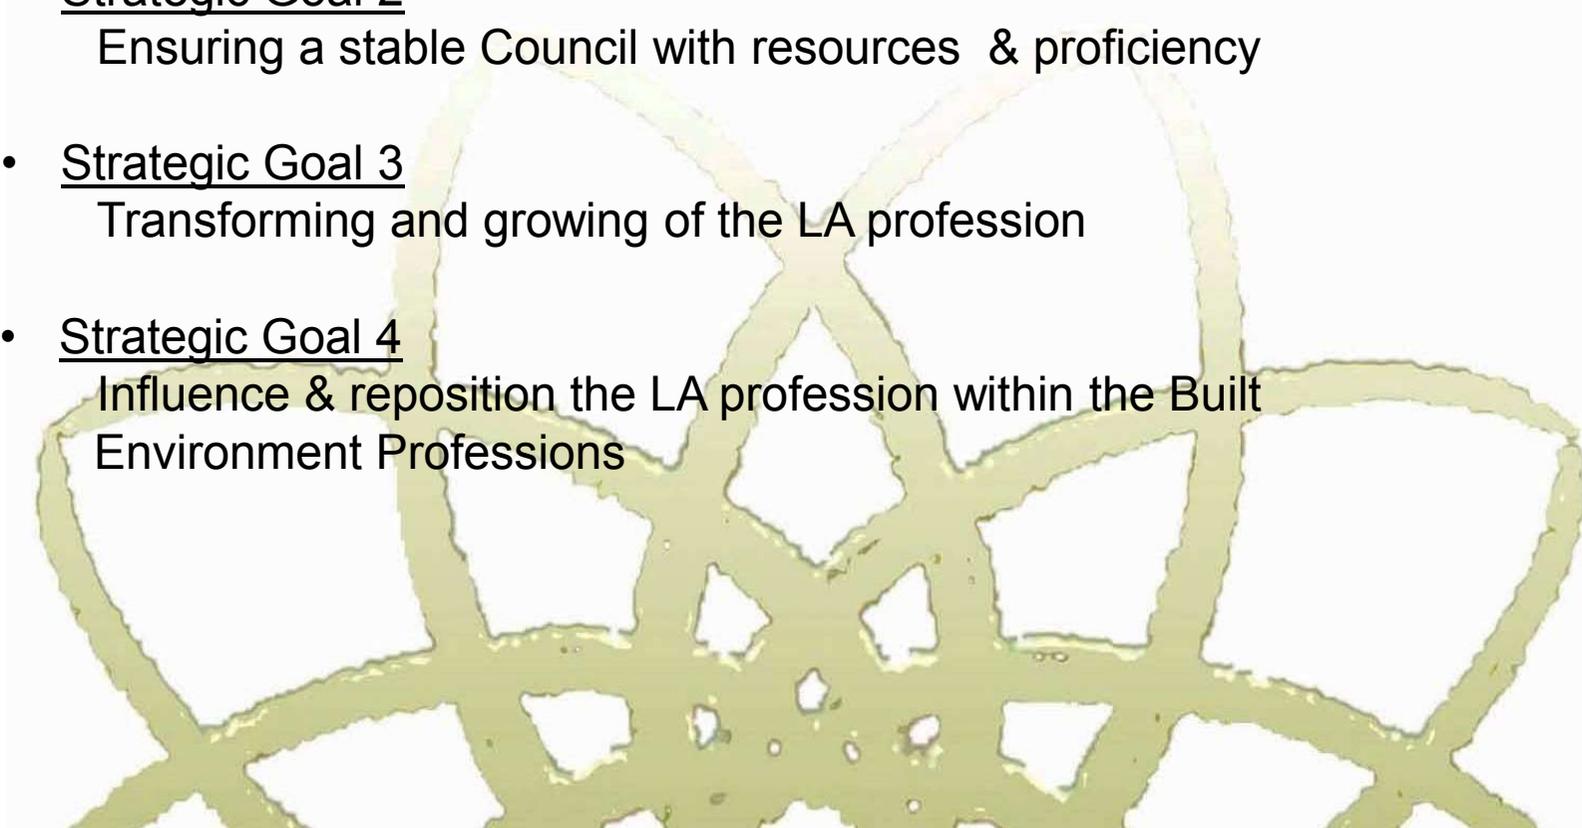

Establishing a sphere of influence within the built environment professions

# Governance...

## Strategic Objectives

- Strategic Goal 1  
Delivering on the Mandate as per Act, Act no. 45 of 2000
- Strategic Goal 2  
Ensuring a stable Council with resources & proficiency
- Strategic Goal 3  
Transforming and growing of the LA profession
- Strategic Goal 4  
Influence & reposition the LA profession within the Built Environment Professions

# Governance...

- Annual Performance Plan
- Governance workshop with the CBE and will be developing other tools such as:
  - A Risk management plan
  - A Compliance plan, and
  - Formalise delegations
- CBE Quarterly Report

# Finance...

**Committee consists of Abbigail El Mohamadi, Bright Mhlongo, Johan Barnard**

- Public Finance Management Act
- Procurement Policy
- Annual Report
- Budget

# Register...

- **Register of professionals** as at 30 September 2014:
  - Professionals landscape architects 155
  - Professionals landscape technologists 10
  - Professionals landscape technicians 3
  - Professionals landscape assistants 1
  - **169**

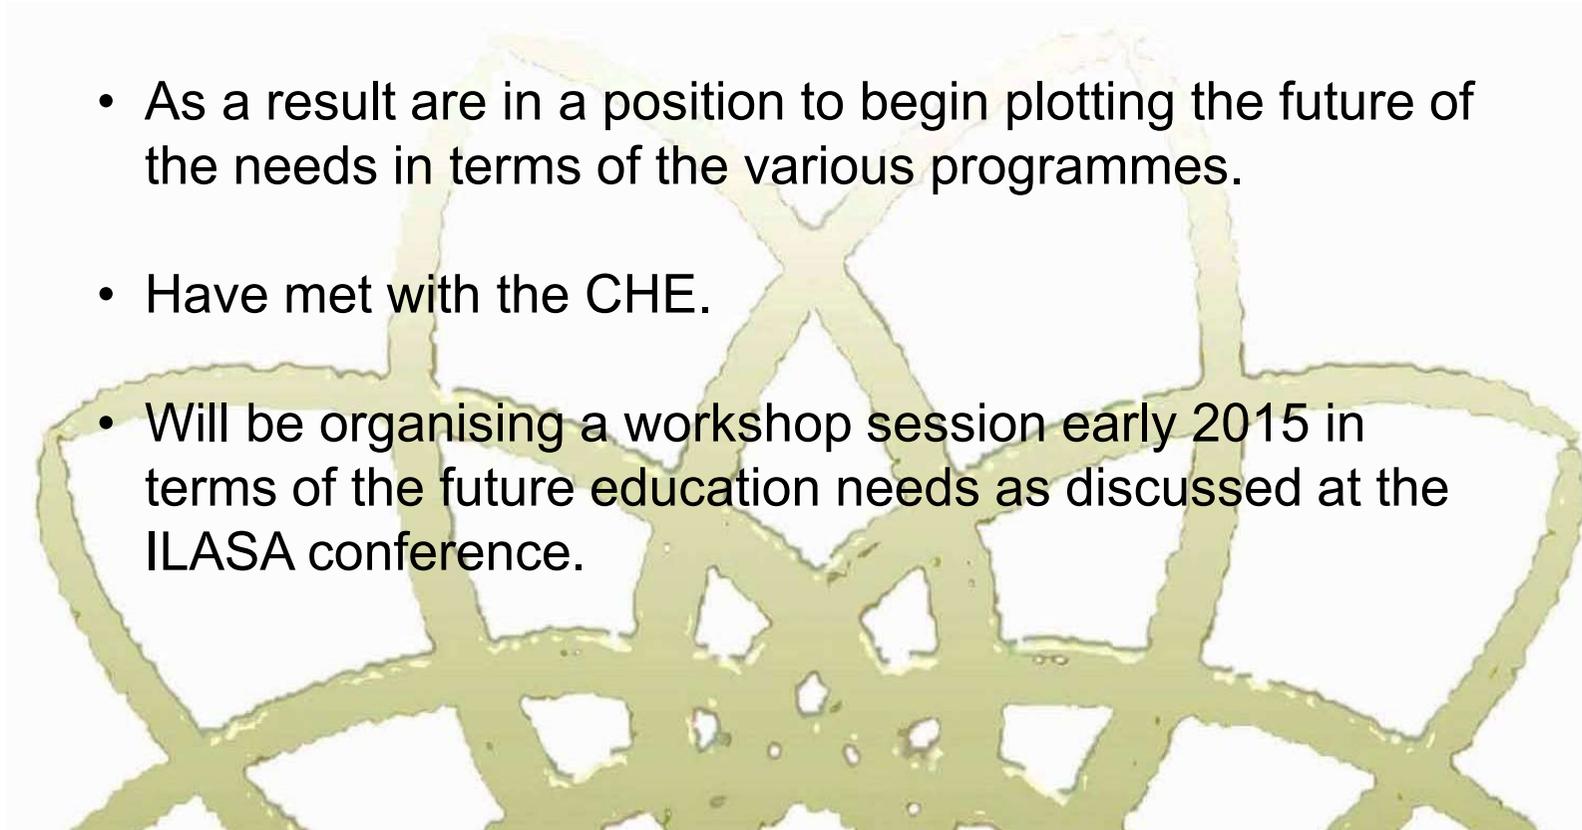

- **Register of candidates** as at 30 September 2014:
  - Candidate landscape architects 37
  - Candidate landscape technologists 25
  - Candidate landscape technicians 1
  - Candidate landscape assistants 0
  - **63**

- Register of others is 105 as at 30 September 2014

# Education...

Committee consists of Frans van Wyk and Gregory Mofokeng.

- Visits to all tertiary institutions offering programmes in landscape architecture as well as horticulture with the focus of educating individuals that practise within the built environment.
- As a result are in a position to begin plotting the future of the needs in terms of the various programmes.
- Have met with the CHE.
- Will be organising a workshop session early 2015 in terms of the future education needs as discussed at the ILASA conference.

# Registration...

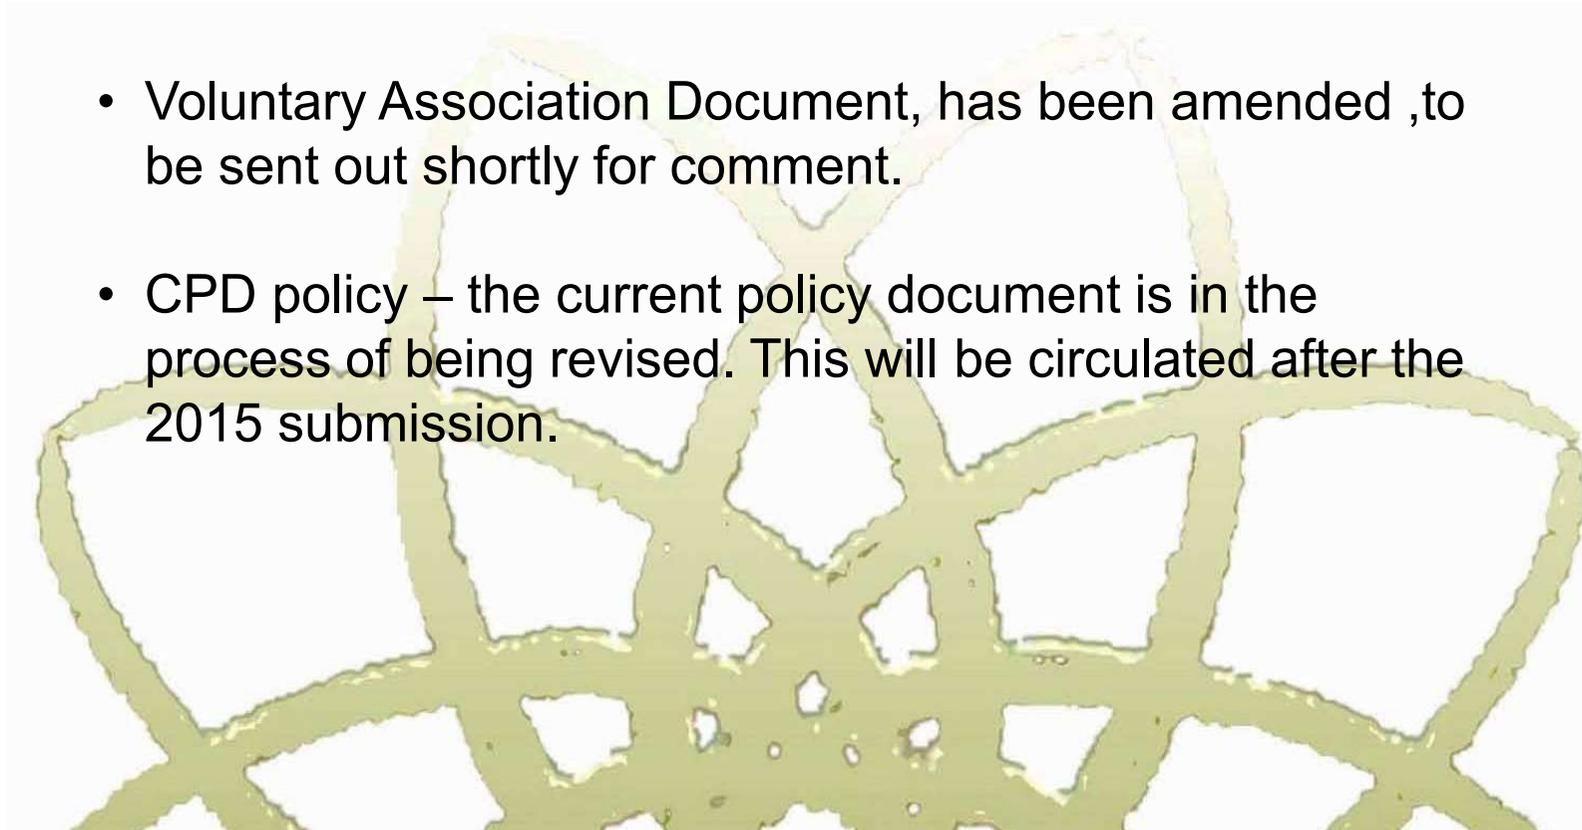

**Committee consists of Amanda du Plooy, Mitha Cilliers, Neal Schoof, Tania du Plessis and Ilham Gabier.**

- Workshop held in August 2014 to look at the current registration policy amendments that may be beneficial.
- Identified the need to put in place, more regular milestones for candidates.
- Recognised the need to undertake training of all mentors in terms of what is expected, areas of focus etc.
- The core competency table of 2011 is still the current one that is being used, but anticipated to be phased out in 2015.

# Professional Practice...

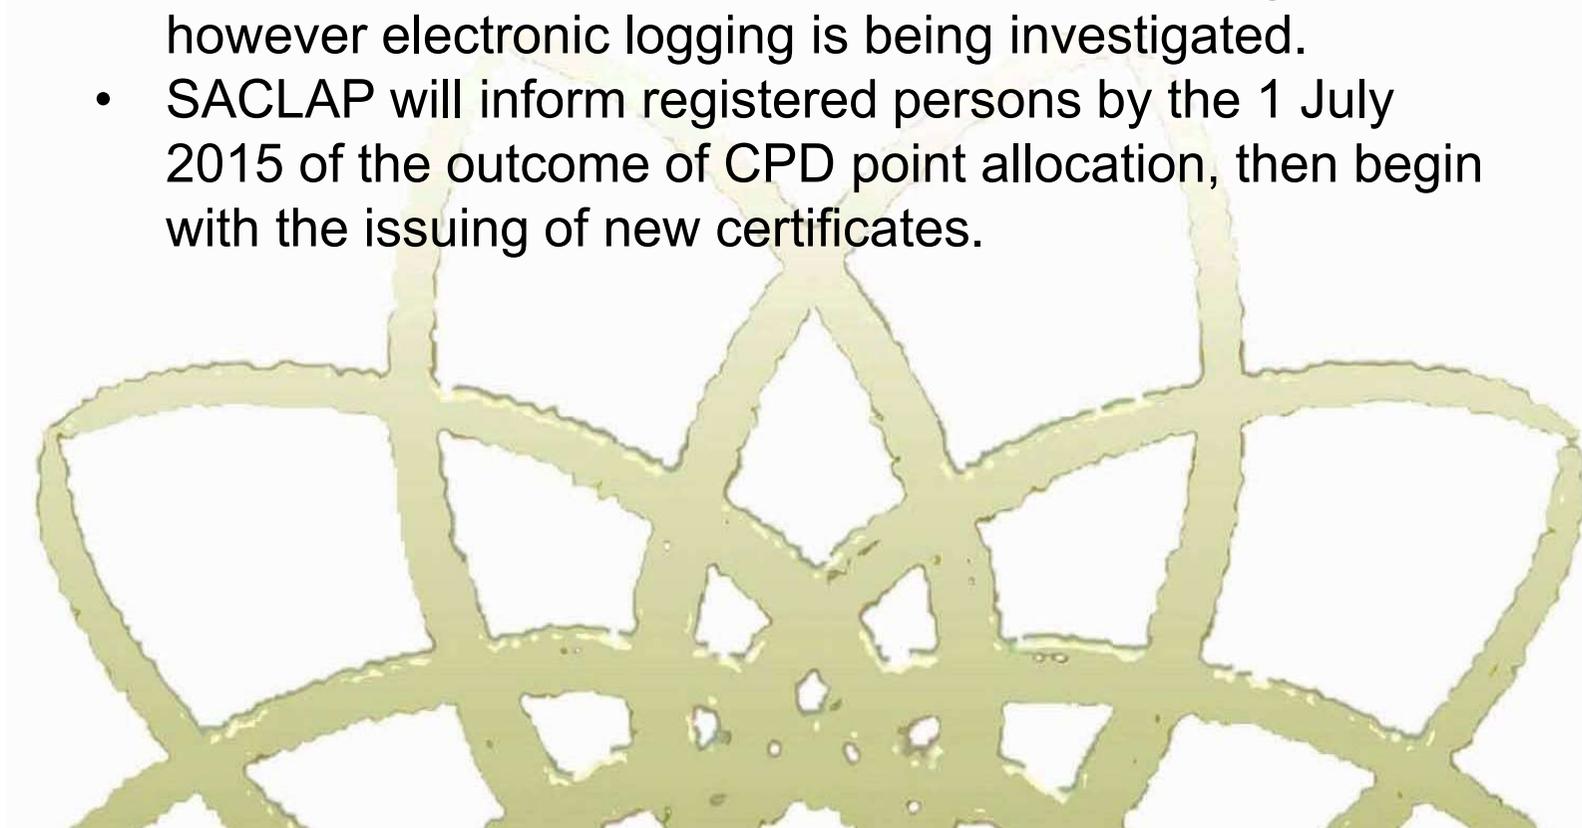

**Committee consists of Gerrit Strydom, Frans van Wyk,  
Abbigail El Mohamadi, Barend Smit**

- Disciplinary and Appeals – Council has agreed to align itself with the guideline document as produced by the CBE.
- Voluntary Association Document, has been amended ,to be sent out shortly for comment.
- CPD policy – the current policy document is in the process of being revised. This will be circulated after the 2015 submission.

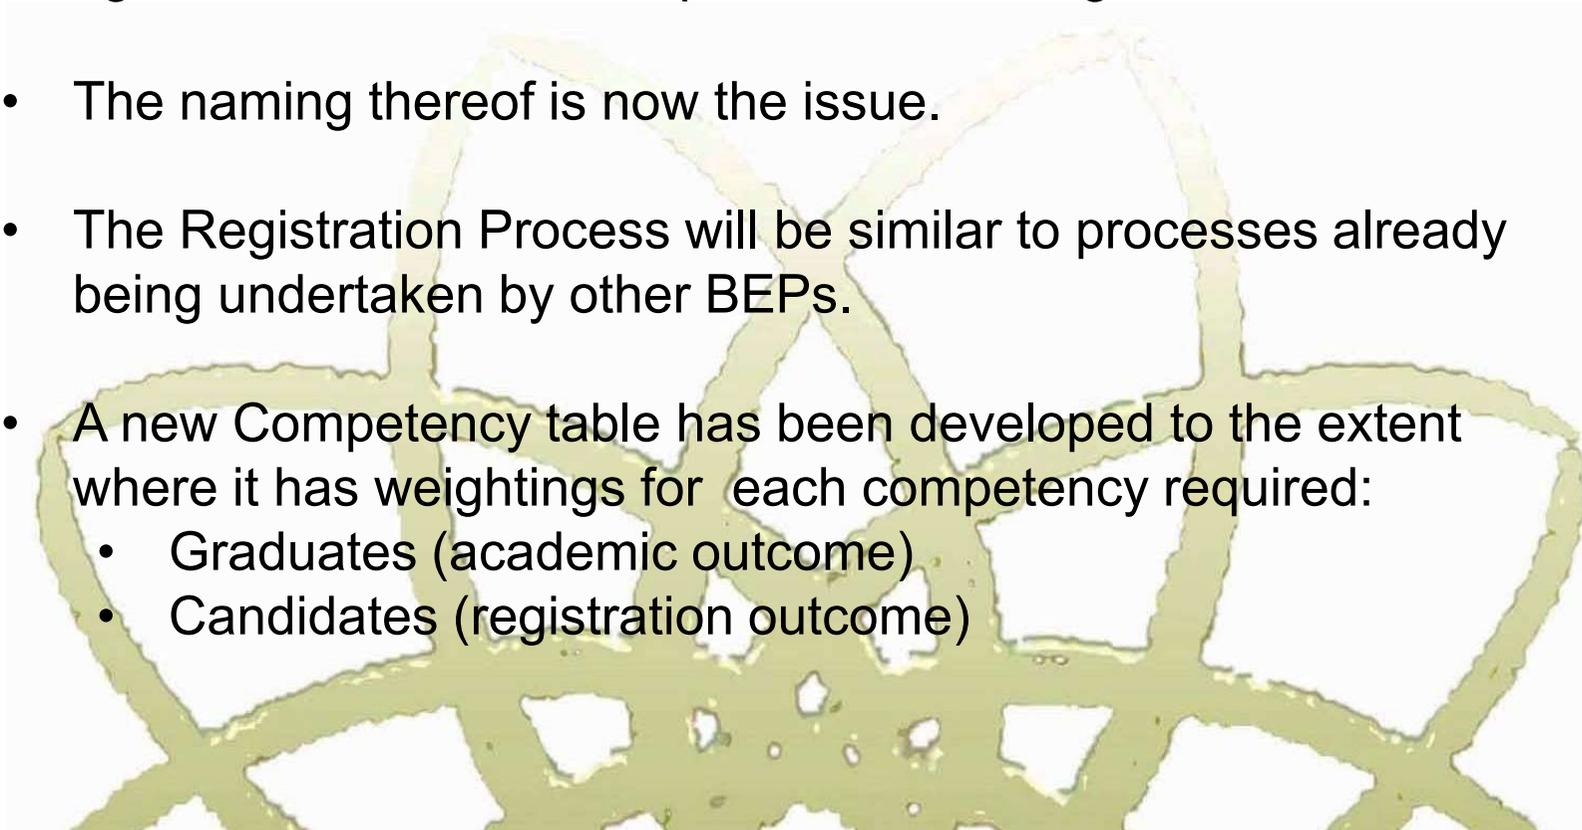

# Professional Practice...

- The CPD submission process for 2015 will be as follows:
  - Registered professionals to submit by March 2015.
  - Submission are to be made in accordance with the latest policy on the website.
  - The same template is to be followed at this stage, however electronic logging is being investigated.
  - SACLAP will inform registered persons by the 1 July 2015 of the outcome of CPD point allocation, then begin with the issuing of new certificates.

# New Registration Categories...

- A task team was established in 2010 and includes representatives of the tertiary institutions as well as the ILASA, IERM and SALI.
- At a round table discussion held in August 2014, it was agreed that one new discipline would be registered.
- The naming thereof is now the issue.
- The Registration Process will be similar to processes already being undertaken by other BEPs.
- A new Competency table has been developed to the extent where it has weightings for each competency required:
  - Graduates (academic outcome)
  - Candidates (registration outcome)

# New Registration Categories

## Core competencies:

### i. **SACLAP Professional Practice**

- SACLAP Code of practice, Office management & administration, human resourcing, financial management, communication skills, occupational health and safety, research and ethics.

# Effective from

A few matters to be finally resolved , but simply put:

- i. Circulate for public comment – October 2014
- ii. Endorsed by Council – November – 2014
- iii. Submission to the Minister of Public Works
- iv. Final gazetting for implementation – March 2014
- v. Start of first applications – April 2015

# SIPS...

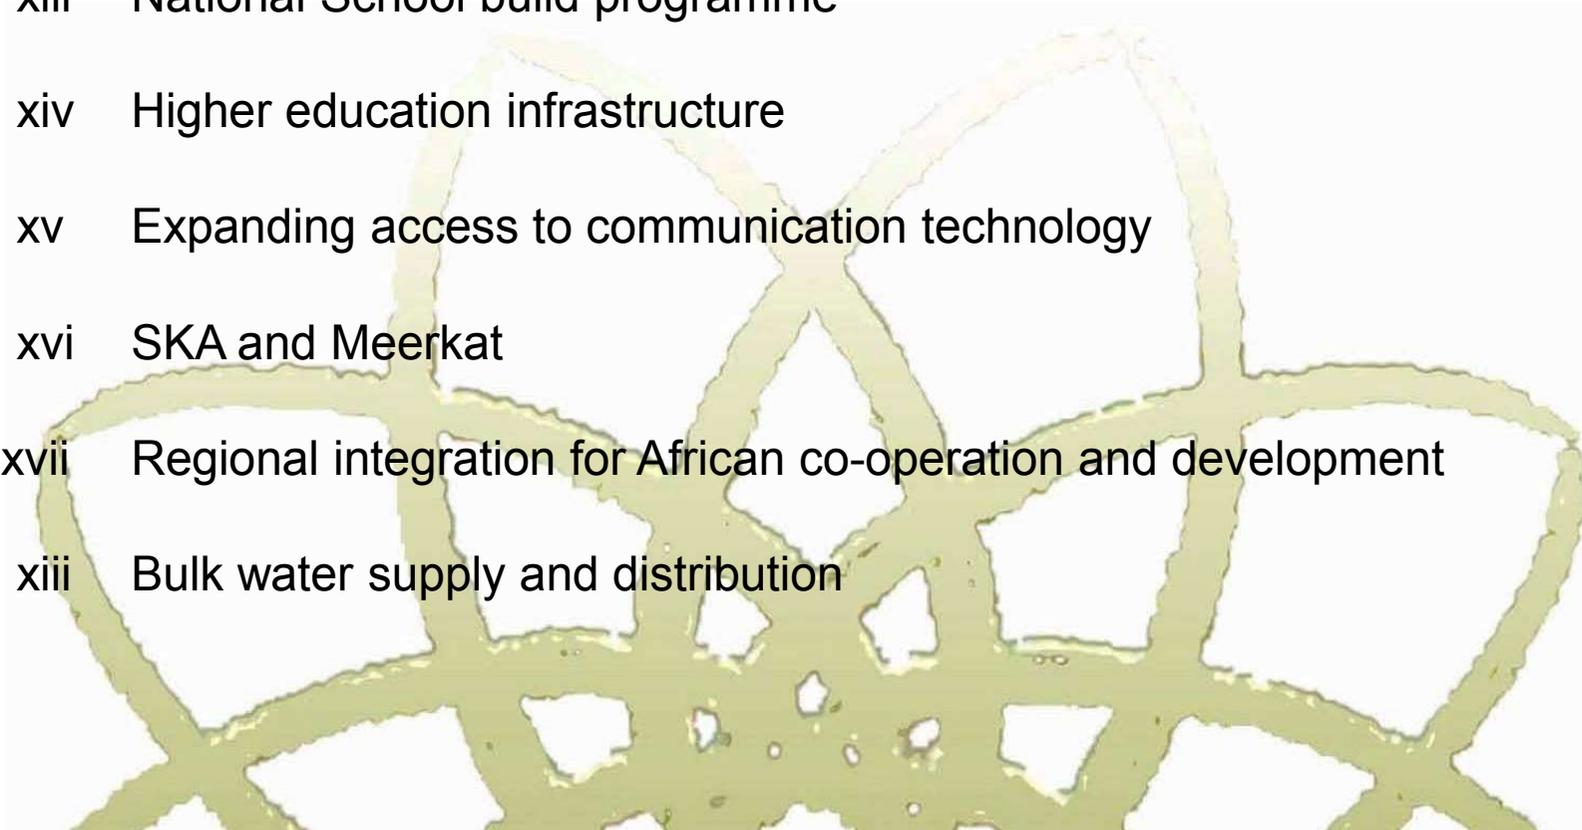

- Strategic Integrated Projects
- SA National Infrastructure Plan is an integral part of the national Development Plan and its New Growth Path.
- It is intended to lay the foundation for job creation and poverty eradication by addressing infrastructure backlogs and exploiting economic growth opportunities.
- It is being rolled out by the Presidential Infrastructure Coordinating Commission (PICC).
- The national Infrastructure Plan consists of eighteen SIPS, each of which is essentially a portfolio projects integrated through a common purpose.

# SIPS...

- i. Unlocking the northern mineral belt with Waterberg as the catalyst
  - ii. Durban – Free State – Gauteng Logistics and industrial corridor
  - iii. South East Node and Corridor Development
  - iv. Unlocking the economic opportunities in North West Province
  - v. Saldhana – Northern Cape Development Corridor
  - vi. Integrated Municipal Infrastructure Project
  - vii. Integrated Urban Pace and Public Transport Programme
  - viii. Green energy in support of the SA economy
  - ix. Electricity Generation to support socio-economic development
- 

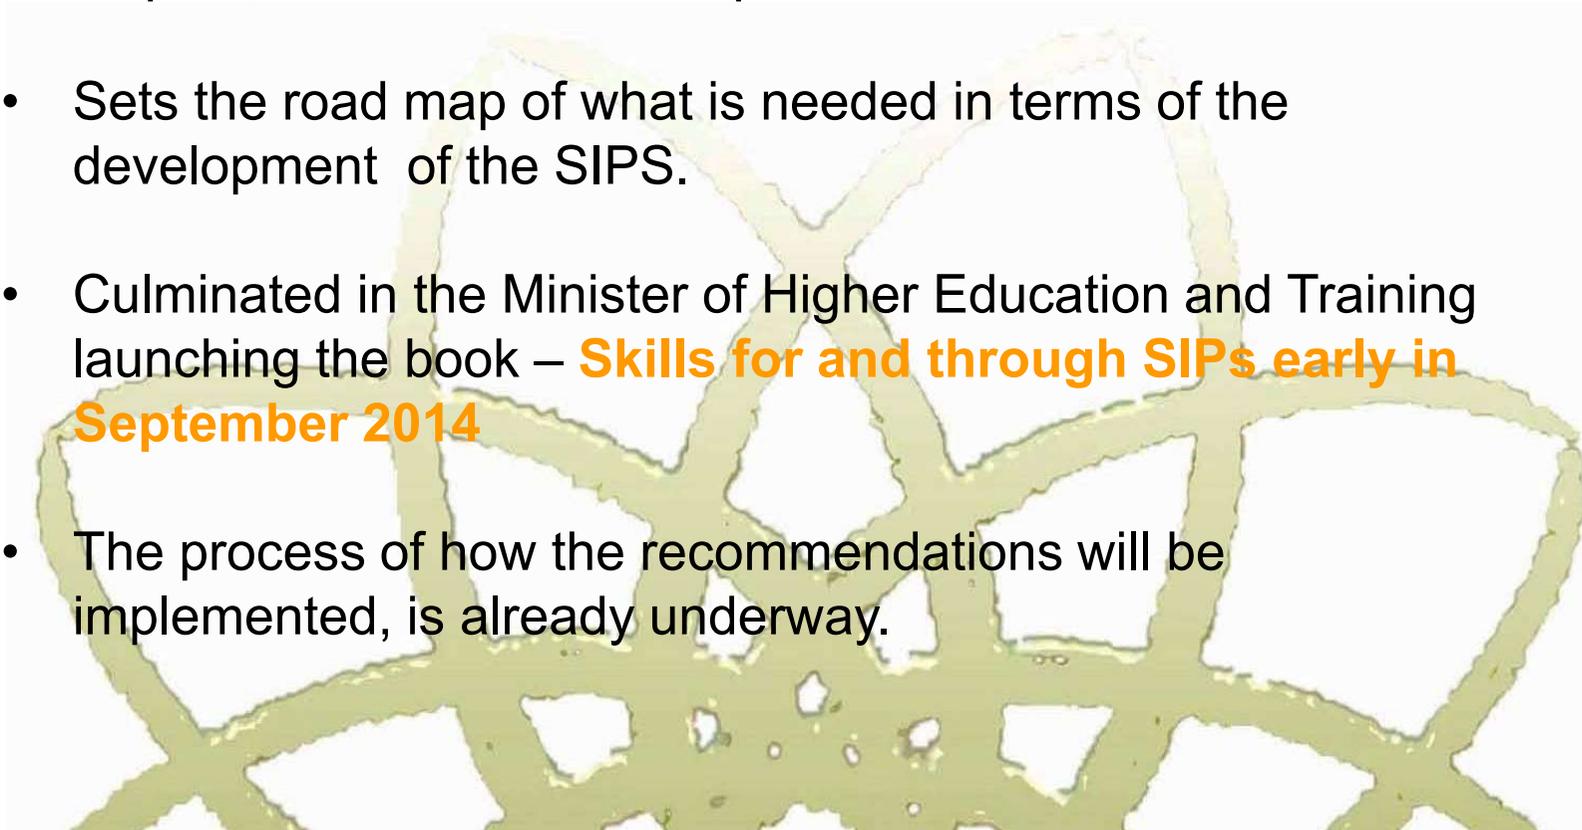

# SIPS...

- x Electricity transmission and distribution for all
- xi Agri-logistics and rural infrastructure
- xii Revitalisation of public hospitals and other health facilities
- xiii National School build programme
- xiv Higher education infrastructure
- xv Expanding access to communication technology
- xvi SKA and Meerkat
- xvii Regional integration for African co-operation and development
- xiii Bulk water supply and distribution

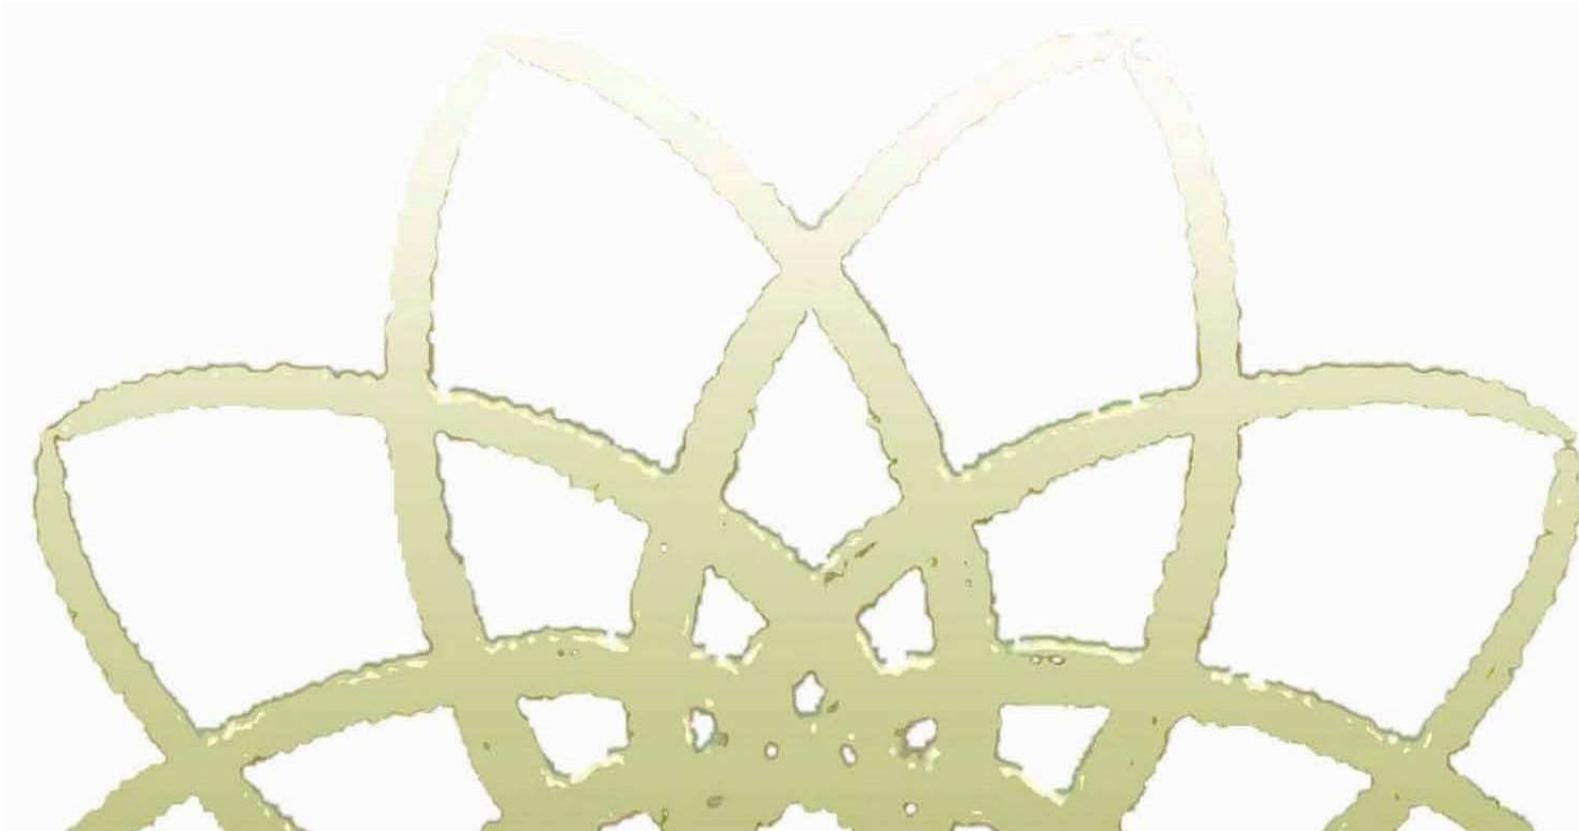

# Occupational Teams...

- Process of assimilating all the information relating to the landscape architectural profession.
  - Statistics
  - Challenges and opportunities
  - Needs at six levels namely school, theory, practical, work plan, assessment and expertise.
- Sets the road map of what is needed in terms of the development of the SIPS.
- Culminated in the Minister of Higher Education and Training launching the book – **Skills for and through SIPS early in September 2014**
- The process of how the recommendations will be implemented, is already underway.

**Any questions**

# Thank you
