SACLAP - ratification of ILASA points
Year 2013 - ratified Jan 2015

Date	Presenter	Description	Duration (hr)	Location	Category 1 (1hr= 2points)	Category 2 (2hrs = 1 point)	Category 2a (80hrs = 1point)	COMMENTS
1 Professional Practice preparation Workshop								
Aug-13	Frans Dekker (SAIAT)	This workshop reviews Social Responsibility, Consumer Protection Act, Occupational Health and Safety Act (Construction Regulations), Introduction to JBCC contract documents. Although this workshop has aspects geared to Architectural Professional practice the topics covered above are relevant to all professionals in practice. This course would benefit both candidates as well as professionals in refreshing their JBCC knowledge and gaining an understanding of the contracts.	16hrs	Western Cape, KZN, Gauteng	12			
Aug-13	SAIAT	This workshop reviews the JBCC and is geared to practising professionals. This course would benefit candidates as well in gaining an understanding of the contracts.	16hrs		12			
2 SAPOA Property Development programme								
	University of Cape Town; Graduate School of Business	This premier management programme on property finance, valuation, property law, negotiation, investment, development, marketing and management course would enhance the business skills of the participants and introduce the participant to managing large development projects. The course structure is a week long lecture series from 8:30am - 23:00pm. The second week is group development of a sponsored project. The areas of study are as follows: Financial Management, Marketing, Viability, Feasibility and Valuation	10hr lectures per day					Hours are to be claimed by the individual as a Category 2a as part of 80 hours = 1 point
		Contracts & Tenders, Town Planning, Property Management, Property Law,	4 hrs self study					
		Property Taxation, Strategic Thinking, Doing Business in the Chaotic World, Projects	40hr (1 week) group work					
3 Aspects of City design,								
Tuesday and Thursday evenings, 2 April – 9 May 2013	University of Cape Town, EBE Faculty, Professor Fabio Todeschini	This course presents an overview of settlement-making theory and practice and reviews the major current issues in contemporary South African settlement-making and provides a forum for discussion around appropriate settlement-making in South Africa. It is aimed at all built environment professionals who are involved in planning including engineers, urban planners, urban designers, architects, landscape architects and environmental and heritage practitioners.	12 lecture sessions 17h30 – 19h30 (2hrs per session)					Hours are to be claimed by the individual as a Category 2a as part of 80 hours = 1 point
4 Heritage Resources management.								
Monday evenings, 8 April – 13 May 2013, and 18 Sept -23 Oct	Dr Stephen Townsend	This course is an introduction to the history and theory of architectural and urban conservation. Enquiries have been by ilasa members to have this course accredited, and has been attended in the past. Completion of this course would allow one to understand the relationship between architectural and urban conservation and the processes of identifying heritage resources and assessing their significance. These principles could then be applied to heritage landscapes.	12 lecture sessions 17h00 – 20h00 (3hrs per session)					Hours are to be claimed by the individual as a Category 2a as part of 80 hours = 1 point
5 Project Management								
	Waren Conrad/ Denis Comminos	The Aim of this course is to help the professional to deliver a project within budget, on time and with the promised performance. The course is designed to introduce the professional to the purpose of Project Management which would enable effective communication, planning and monitoring of projects.	12 lecture sessions 18h00 - 20h15 (2hr sessions)					Hours are to be claimed by the individual as a Category 2a as part of 80 hours = 1 point
6 JPC Programme; University of Pretoria								
April 13 2013	University of Pretoria, Buhle Mathole (Convenor) Ida Breed (Landscape Convenor)	The University of Pretoria, Department of Architecture in collaboration with the PIA is planning a workshop for scholars from disadvantaged backgrounds to introduce them to the profession of Architecture, Landscape Architecture and Interior Architecture as a potential career option. Professionals are invited to workshop and facilitate discussions in the design studio with prospective students. The workshops would derive a design solution for Science laboratory at the Malaisane High School. This activity would actively promote Landscape Architecture as a career.	4-8hrs			2 points for attending and participating in the workshop		
7 Infecting The City								
March 12-15		The Gordon Institute for Performing and Creative Arts (GIPCA) partners with the Public Culture CityLab (African Centre for Cities, UCT) as part of Thinking the City, is offering a series of discussions about creative practice in public space. Landscape Architects often work in the public domain and engaging in talks and debates would benefit theirs and others awareness and understanding of how public space is used/seen/experienced. The four discussions were:	10:30am - 12:00 (1.5hrs each day)					
	Rangoato Hlasane and Kim Gurney	What makes art 'public'?: publicness, participation and critical practice			2			
	Edgar Pieterse and Ismail Farouk	Managing access: spatial challenges and the regulation of culture			2			
	Jenny Fatou Mabaye and Ralph Borland	Design and the creative city: the creative city for whom?			2			
	Rike Sitas and Oddveig Nicole Sarmiento	Public space, festivalisation and contested cultural expression			2

	Date	Presenter	Description	Duration (hr)	Location	Category 1 (1hr= 2points)	Category 2 (2hrs = 1 point)	Category 2a (80hrs = 1point)	COMMENTS
29			Master of Philosophy in Conservation of the Built Environment degree - University of Cape Town						
	Jan-13	Dr Stephan Townsend	The programme is a part-time degree designed specifically for working professionals engaged in the development industry and/or heritage management. But anyone who is interested in heritage and/or the environment could find it useful and interesting. The time commitment is four x one-week intensive contact periods in the first year and two x one-week in the second. There are also assignments associated with each course and a couple also have an examination. So the degree is a two-year part-time Masters degree.	(6 weeks), 240 hrs	Western Cape				SACA accredited programmes (submit proof of accreditation) Category 2 (maximum 25 points/year) 60 notional hrs = 8 points (7,5 hrs = 1 point) 1 academic credit = 10 notional hours Maximum 25 points of surplus may be carried over to the next year within the cycle.

SACLAP - ratification of ILASA points
Year 2014 - ratified Jan 2015

Date	Presenter	Description	Duration	Location	Category 1 (1hr= 2points)	Category 2 (2hrs = 1 point)	Category 2a (80hrs = 1point)	COMMENTS
